

FOR EASTER, RESURRECTION DAY

ALMIGHTY GOD,

On this day we rejoice in the glory
of resurrection.

The tomb is empty.

Death could not hold the Lord Jesus. His
body saw no decay. His enemies did not win.
The earth could not contain him.

We are emboldened by the power
of resurrection.

We are encouraged by the hope
of resurrection.

We are enlightened by the truth
of resurrection.

So help us, dear God, to have a daily
expectation that we will encounter the living
Lord Jesus wherever we live.

Help us to live in submission.

And empower us to bring this message of
resurrection into every dark and desperate
corner of this world.

In the name of the resurrected Lord Jesus.

Amen.
